

For Immediate Release

August 31, 2004

**OFFICIAL GROUNDBREAKING – DARBYDALE WASTEWATER
COLLECTION SYSTEM AND TREATMENT PLANT**

WHO: Franklin County Commissioners Arlene Shoemaker, Dewey R. Stokes, Mary Jo Kilroy and Pleasant Township Trustee Keith Goldhardt

WHAT: Groundbreaking for the Darbydale Wastewater Collection System & Treatment Plant

The Franklin County Commissioners will join with the Pleasant Township trustees in an official groundbreaking ceremony for the Darbydale Wastewater Collection System and Treatment Plant.

The \$6.1 million project will bring a “state-of-the-art” treatment facility to the area and will connect 325 homes, 450 mobile homes, an elementary school and area businesses to the new sanitary sewer system.

This project addresses longstanding health issues affecting residents of the Darbydale community in addition to environmental issues affecting the ecological health of the Big Darby.

The anticipated construction completion date is August 1, 2005.

WHEN: Thursday, September 2, 2004 at 1:00 p.m.

WHERE: The Pleasant Township Fire Station located at 5373 Norton Road
